## Berkeley Gardens Day Nursery Fees - April 2024

Dear Parents,

Thank you for your enquiry.

I have the pleasure in attaching a price list, some basic information and details of our admission procedures at Berkeley Gardens Day Nursery.

The Nursery opened in July 2011 and we would encourage you to visit us to see what we can offer your child and answer any questions you may have.

If you wish your child to be considered for a place please complete the basic ENROLMENT FORM which serves merely to express your interest and requirements. There is no charge for being on the waiting list and you will be contacted as soon as we are able to confirm a place for your child.

If the date is likely to change, we should be notified as soon as possible. We do fill our places from the waiting list but priority may be given to parents requesting: an immediate start, as we have to ensure places are filled as soon as possible; to siblings of children already attending the nursery and to parents requesting full time places.

Once we are sure that we have a suitable place for your child, we will contact you again and send you a PLACE OFFER LETTER requesting a non-refundable £50.00 registration fee.

There is also a deposit of £100.00 per day of attendance to be paid, for example if your child will be attending 2 days per week your deposit will be £200.00 + the £50.00 registration fee. The deposit will be refunded to you when your child leaves the nursery (subject to your account being settled and that you give one months notice in writing).

Both the registration fee and deposit and non-refundable should your child not start at the nursery.

A detailed registration form and agreement will also be sent for your completion. Receipt of these, a copy of your child's birth certificate and the deposit will secure a place for your child.

You will then be sent a standing order mandate to complete, which will need to set up for the day that your child joins the nursery.

We like you to arrange several (usually 3) short pre-arranged visits usually for the week or two prior to your child starting at the nursery, where you can meet the staff, feel at home with us and complete our ADMISSION FORMS stating current routines and requirements.

If there are any queries or you require further information, please do not hesitate to contact me, or alternatively please have a look at our website [www.berkeleygardensdaynursery.co.uk](http://www.berkeleygardensdaynursery.co.uk).

Yours sincerely

Mrs Maria Hine  
NURSERY MANAGER

## We always have a full diary of exciting activities for the children

We offer the children weekly music and movement sessions with 'Wiggle Waggle'. All children thoroughly enjoy their weekly music and movement session with Miss Joanna. The sessions involve action songs, movement, drama, singing, rhythm... and all whilst having the most invigorating fun

possible. The children use a wide range of activities and stimulation by means of different props, pictures, lights and instruments. The children enjoy being outside in our large garden exploring and having fun playing with their friends. They simply LOVE it!

## USPORTS

Qualified Coaches Jay and Rio visit the Nursery every Tuesday and offer a variety of sports including football, rugby, cricket and athletics for our Pre-school aged children. The children learn to work as a team and also develop lots of individual skills. These sessions are linked into the EYFS and are thoroughly enjoyed by the children.

The early years...

We work towards the Early Years foundation Stage with all children in our setting. The EYFS helps us to build the foundations of children's learning with guidance set by the government. We ensure that we provide every child with a safe environment where

they can thrive. There is a separate cot room for the youngest children where they can sleep according to their individual needs. Toddlers and older children can sleep or have a rest according to their needs too within their own base rooms.

"It makes such a difference knowing that our child gets a great nutritious meal that they enjoy eating. They even ask for food cooked the way they do it at nursery. And it isn't bland baby food it seems to be such a varied menu that introduces the children to so many tastes and textures"  
Parent comment

## In Our Kitchen

WE PREPARE FRESH & BALANCED MEALS EVERY DAY

Fresh ingredients are used daily in our large onsite kitchen to provide the children with Breakfast, a cooked Lunch, a Pudding and Tea, as well as snacks. Fresh drinking water and milk is also readily available for children to drink during the day.

Some of the snacks offered to the children include; bananas, grapes, blueberries, carrots and cucumbers. The children also participate in cooking activities where we teach them about weighing ingredients and the importance of healthy eating.

# Quotes from parents

There are some lovely recommendations on our Nursery Facebook page, but here are a few others from our family questionnaires.

"our child has settled in brilliantly and is a happy and content child when I pick her up from nursery. I feel confident that she is looked after very well"

"All the staff are well trained and have good knowledge and show good awareness of children's likes and dislikes"

"All the carers are proactive in supporting the children's development, the variety of activities maintains the children's interest and it is clear that the children feel secure in their environment"

"We are delighted with the quality of care that our son receives. The nursery have been more than willing to try different ideas to help him to overcome difficulties which has really yielded results"

"All the nursery staff are amazing, we especially like the creative, musical and learning aspects of the nursery."

one of our children said

"I love coming to nursery, and playing with all my friends and making cookies!"
